

**Consultant - GIS Expert,
Bharat Rural Livelihood Foundation,
Nagpur, Maharashtra**

1. POSITION VACANT: GIS Expert (One Vacancy), Bharat Rural Livelihood Foundation, Nagpur, Maharashtra

2. ORGANISATION BACKGROUND:

Government of India (GOI) initiated **Bharat Rural Livelihoods Foundation (BRLF)** as an independent organization under the Societies Registration Act, to facilitate civil society action in partnership with the Central and State Governments, for transforming livelihoods and lives of rural households, with an emphasis on women, particularly in the Central Indian Tribal Region.

BRLF is a unique and first-of-its-kind initiative and the **Foundation** is constituted as a partnership between Government on the one hand and private sector philanthropies, public and private sector undertakings (under Corporate Social Responsibility), on the other. Major functions of **BRLF** comprise the provision of financial grants to Civil Society Organizations (CSOs) to meet their human resource and institutional costs for up-scaling proven interventions, invest in institutional strengthening of smaller CSOs and capacity building of professional human resources working at the grassroots. The General Body and Executive Committee of **BRLF** are constituted by eminent individuals, as well as ex-officio representatives from private philanthropies, public and private sector organizations, financial institutions, State Governments and **GOI**.

ABOUT “High Impact Mega-Watershed Project”, Maharashtra

BRLF and Commissioner Office, MGNREGS, Nagpur, Govt. of Maharashtra signed an MoU on September 8, 2022 to implement a **High Impact Mega Watershed Project** in the 26 blocks of 5 districts of Maharashtra. The goal of the project is to double the income of at least 1,00,000 small and marginal households on a sustainable basis. This is a five-year project. The implementation strategy of this proposed project envisages that the selected CSOs will provide facilitation support to the Gram Panchayats and front line MGNREGA functionaries for participatory planning and provide onsite technical support for better implementation of the planned interventions.

For robust monitoring and evaluation, a **State project Management Unit (SPMU)** will be set up in Nagpur. The **SPMU** will have its dedicated staff and will work under the guidance and leadership of MGNREGA Commissioner, GoMH and **BRLF**.
