

JOB DESCRIPTION
Water Shed Expert
Bharat Rural Livelihood Foundation

1. POSITION VACANT: Water shed Expert (01 Vacancy), Bharat Rural Livelihoods Foundation in Tantnagar block, Chaibasa, Jharkhand.

2. ORGANISATION BACKGROUND:

Bharat Rural Livelihoods Foundation (BRLF) is an independent organization initiated by the **Government of India (GOI)** under the Societies Registration Act. The organization facilitates civil society action in partnership with the Central and State Governments, for transforming livelihoods and lives of rural households, with emphasis on women, particularly in the Central Indian Tribal Region.

BRLF fosters civil society action in partnership with the Government, for transforming the livelihoods and lives of people across India. The organization focuses on the regeneration of natural resources, increase and harvesting of water for irrigation, promotion of livelihoods, including livestock and off-farm livelihoods, and financial inclusion of women-led SHGs, to transform the lives of the rural poor.

BRLF emphasizes the creation of powerful grassroots institutions led by women, to lead interventions aimed at the poor. The organization works actively through grassroots CSOs, with communities on the ground to reduce the gap between program outlays made by the government and corporations. Program outcomes are achieved by strengthening democratic institutions at the grassroots, improving the quality of program implementation, and scaling-up successful intervention models, so that the poor, particularly tribal households in central India, can escape poverty and deprivation.

For more details about **BRLF**, please visit <https://www.brlf.in/>

ABOUT “High Impact Mega-Watershed Project”

BRLF signed an MoU with the **Commissioner MGNREGA Cell**, Government of Jharkhand, for the implementation of the “**High Impact Mega Watershed Project**,” in 28th Aug 2020.

This is a convergence project being implemented in the 26 most-backward blocks in 5 districts of Maharashtra for improving the lives and livelihoods of 100,000 socioeconomically marginalized households. The project is being implemented by 10 CSO partners under the guidance and support of a State Project Management Unit (SPMU) anchored by BRLF.
