2. ORGANISATION BACKGROUND:

Bharat Rural Livelihoods Foundation (www.brlf.in) is an autonomous body established in 2013 under the Ministry of Rural Development through a Union Cabinet decision by the Government of India. With a vision to transform the lives and livelihoods of the most vulnerable populations across India, BRLF plays a crucial role in fostering and facilitating civil society action in partnership with the government and people's institutions. Its mandate encompasses a range of objectives, including bridging the gap between program outlays and outcomes, improving implementation of government flagship programs, providing grant support to civil society organisations (CSOs), and promoting partnerships for inclusive, sustainable development. BRLF has a pan-India mandate and focuses on tribal geographies, particularly those in the Central Indian tribal belt and Northeast India. The focus has been on the states with the most concentration of tribal population which are Gujarat, Rajasthan, Maharashtra, Madhya Pradesh, Telangana, Odisha, West Bengal, Jharkhand, Chhatisgarh, Assam, Mizoram.

To achieve its objectives, BRLF follows a networked approach for nurturing the appropriate institutional and programmatic ecosystem for enhanced interventions in sustainable livelihoods for tribal rural communities. The collaborative model actively engages various key stakeholders, including the government, private philanthropies, public and private sectors under corporate social responsibility (CSR), Civil Society Organisations (CSOs) and Community-based Institutions (CBOs and PRIs). The unique collaborative model facilitated by BRLF successfully harnesses the collective strengths of these institutions to design and scale rural development initiatives effectively.

ABOUT "Focused Development Project (FDP)", Peth, Nashik, Maharashtra

The Bharat Rural Livelihoods Foundation (BRLF), in collaboration with HDFC Parivartan, is implementing the Focused Development Project (FDP) across 25 villages in Peth Block, Nashik District, Maharashtra. This three-year initiative aims to double the income of at least 3,000

small and marginal (Tribal) households through sustainable, integrated development strategies tailored to the needs of tribal communities.

The project places a strong emphasis on Natural Resource Management (NRM), particularly Integrated Watershed Management, to improve soil and water conservation, agricultural productivity, and farm-based incomes. Key components include capacity building of communities, promotion of sustainable agriculture and horticulture, irrigation development, and the strengthening of community-based organizations (CBOs). The project also seeks to leverage government flagship schemes through convergence, fostering long-term sustainability and resilience.
