

## **Request for Proposal (RFP) for Construction of Integrated Watershed Management Structures (Cluster-I) In Kashipur Block, Rayagada District of Odisha**

### **About BRLF:**

The Government of India established Bharat Rural Livelihoods Foundation (BRLF) as an independent society under the Ministry of Rural Development (MORD). BRLF was established to upscale civil society action, in partnership with the central and state governments, to ensure better implementation and outreach of government schemes and programs, in collaboration with civil society organisations.

The principal objective of BRLF is to empower Rural India by improving the lives of vulnerable communities, especially indigenous tribes, in coordination with CSOs, the Government of India, and state governments. BRLF aims to channelise funds more effectively from governments, banks, corporations, and other philanthropic foundations for various public programs and ensure proper grassroots implementation to achieve the best results. For more information, visit <https://www.brlf.in/>

### **Project Background and Context:**

BRLF is currently implementing the Integrated Watershed Management project in Kashipur Block, Rayagada District, Odisha, to increase water availability and enhance agricultural practices through watershed structures. The project will be implemented in the ten villages of the Kashipur block, namely:
