

## **REQUEST FOR PROPOSALS FOR CONSTRUCTION OF FARM PONDS**

### **About BRLF:**

Bharat Rural Livelihoods Foundation (BRLF) established by the Government of India as an independent society under the Ministry of Rural Development (MORD). BRLF was established to upscale civil society action in partnership with the central and state governments to ensure better implementation and outreach of government schemes and programs in collaboration with civil society organizations.

The principal objective of BRLF is to empower Rural India, improving the lives of vulnerable communities, especially the indigenous tribes, in coordination with CSOs, the Government of India, and governments of various states. BRLF aims to channelize better funds allocated by governments, banks, corporate, and other philanthropic foundations for various public programs and ensure proper grassroots implementation to generate the best results.

For more information, visit <https://www.brlf.in/>

### **Project Background and Context:**

BRLF, in partnership with the Jharkhand state government and HDFC, is implementing the HDFC-Focussed Development Project (FDP) in four blocks of the Santhal Pargana region. The project focuses on integrated natural resource management, livelihood enhancement, and innovative climate-resilient agricultural practices. The targeted blocks include Mandro in Sahebganj district, Littipara in Pakur district, and Mahagama and Maherma in Godda district.

### **Scope of Work (SoW):**

#### **1. Excavation of Farm Pond**

Sl No	BLI	Size of the Farm Pond	Littipara (No.)	Mahagama (No.)	Mandro (No.)	Maherma (No.)	Total Quantity (No.)
1	A1.1	30m X 20m X 3m	2	2	2	1	7
3		15.2m X 18.3m X 3m	0	0	0	1	1
<b>Total:</b>			<b>2</b>	<b>2</b>	<b>2</b>	<b>2</b>	<b>8</b>

The selected vendor will be responsible for the following:

#### **Farm Pond Excavation:**

- The work involves the excavation and construction of **8 nos.** of earthen pond with the above-mentioned dimensions the pond is intended for water storage to support irrigation, groundwater recharge, and other community water needs.
- The complete work must be completed by the bidder/vendor in the stipulated time of 1 months.
- The pond will be constructed at the designated site identified and approved by the project team/community.
- Layout marking of pond boundaries using lime or markers.

- Clearing and removal of vegetation, bushes, debris, and any other obstructions within the marked area.
- Excavation of soil to achieve the required depth of 3 meters uniformly across the entire 30m × 20m area.
- Use excavated soil to form embankments around the pond, compacted in layers for stability.
- Provision of inlet channels for runoff or irrigation-water capture.
- Provision of an outlet for safe overflow
- The details work specifications is provided in **Annexure 1**
- The contractor must inspect and confirm site conditions before starting excavation.

**General Terms & Conditions:**

- The Bidder shall bear all costs associated with the preparation and submission of the RFQ.
- The bidder may visit the location to examine the soil condition, topography before bidding this RFQ.
- All documents relating to the Bid shall be in the English language.
- Upon being awarded the work, the bidder must submit a security deposit equivalent to 10% of the total order value. This security deposit will be without interest and will be reimbursed 180 days after the completion date.
- The financial proposal to be submitted in the format specified in Annexure 1.

**Timeline**

Date of Publication	1st July 2026
Last Date of Submission of RFQ	8 July 2026
Issuance of the Purchase Order	9 July 2026
Date of Completion of the Work	7th Aug 2026

**Support by BRLF:**

- BRLF will support in identification of location where the Pond construction work will be done.
- BRLF will help in identifying the beneficiaries and community mobilisation for completing the work.
- BRLF will provide technical inputs (Lay out, Monitoring, etc.) excavation of Farm Pond.

- The interested agencies would submit the financial bid only in the format annexed as Annex 1.

- Proposals should reflect cost for each component as specified in Annexure 1.
- Payments will be made based on measurement and verification of completed work.
- Final payment will be released after inspection and approval by the project team.
- BRLF reserves the right to define the payment schedule after selection of the agency.

### Evaluation Criteria & Process Expectations:

Proposals that meet the mandatory requirements, as stated above, will be evaluated with the following criteria:

#	Evaluation Parameters	Total Score
<b>A. TECHNICAL PROPOSAL</b>		
1	<b>Suitability of the Proposal</b> – The contractor/vendor must have valid licence from Central/State Govt. Authorities for civil and construction works to carry out Watershed management structures.	25
2	<b>Prior Experience</b> – The contractor/vendor must have minimum of 5 years of experiences to complete similar type of work.	15
3	<b>Location &amp; Demography</b> – The contractor/vendor must have footprint and prior work experience in similar type of work in Jharkhand. Preference would be given to the vendor having work exposure in the Santhal Pargana Region.	15
4	<b>Ability to work in Tribal &amp; Remote Blocks</b> – Overall ability of the contractor to successfully complete the construction work maintaining good relationship with tribal villagers.	15
<b>B. FINANCIAL PROPOSAL</b>		
5	<b>Value and Cost</b> – The best value for money, including the highest quality services in response to the requirements, is within the desired timeline at a competitive rate and budget.	30

An Evaluation Committee would evaluate the technical and financial proposals. The total score assigned for the technical proposal is 70, and for the financial proposal is 30. BRLF reserves the right to call the shortlisted or selected agency or agencies for any queries if required.

The Agency with the highest score on the combined technical and financial bid would be selected for the award of the contract.

Shortlisted vendor or vendors at the technical proposal stage may be invited to present before the Evaluation Committee. Please note that only the shortlisted agency or agencies will be contacted.

### Please submit the following documents with your technical proposal:

- Profile of individual/ firm.
- Copy of valid licences obtained from Central/State Govt Authorities to carry our civil works.
